Minimum entry requirements

Not Applicable

Mode of Study

The qualifications are offered via a flexible delivery strategy to support student engagement and workplace integration and RPL (Recognition of Prior Learning) options depending on the participant current skills, knowledge & experience mapped against the core competency requirements for each unit of the qualification. Participants must demonstrate a thorough understanding and application of these skill in their current activities.

Assessment Strategy

Participants will actively participate in theory and practical training and development activities both in workshop and workplace environments. BTS Trainers will :

- Assisting with learning support
- Risk assessment and communication strategies
- Assist in LLN needs with students where applicable
- Developing a Learning strategy & Training Program
- Support the principles of training for all clients
